

A Political History of the Two Irelands: From Partition to Peace

This ground-breaking political history of the two Irish States provides unique new insights into the Troubles and the peace process. It examines the impact of the fraught dynamics between the competing identities of the Nationalist-Catholic-Irish Community on the one hand and the Unionist-Protestant-British community on the other.

Northern Ireland is one of the four countries of the United Kingdom situated in the northeast of Ireland. Two bills granting Home Rule to Ireland were passed by the House of Commons in 1914, but were suspended by the outbreak of the First World War. In 1920, the Government of Ireland Act was passed, which provided for the partition of Ireland into two self-governing territories: Northern Ireland, which remained part of the United Kingdom, and Southern Ireland, which was to be a separate state. However, the Irish Republic was proclaimed in 1919, and the Irish Civil War broke out in 1922. The Anglo-Irish Treaty of 1921 provided for the creation of the Irish Free State, which was a self-governing dominion within the British Commonwealth. Northern Ireland, which was predominantly Protestant and Unionist, opted to remain part of the United Kingdom. The partition of Ireland was a controversial and divisive event, and it has had a profound impact on the political and social history of the island ever since. The Troubles, a period of intense political and sectarian conflict in Northern Ireland, began in the late 1960s and lasted until the late 1990s. The peace process, which culminated in the Good Friday Agreement in 1998, has been a long and difficult one, and it is still ongoing. The book 'A Political History of the Two Irelands: From Partition to Peace' by Brian M. Walker is a comprehensive and up-to-date account of the political history of the two Irish States since the 1920s. It provides a detailed and nuanced analysis of the complex and often conflicting interests and motivations of the various groups and individuals involved in the process. The book is a valuable resource for anyone interested in the history of Ireland and the challenges it has faced since the partition of the island.

.. Main articles: Belfast Agreement and Northern Ireland peace process. A guest review. Brian Walker's newly published *A Political History of the Two Irelands: From Partition to Peace* is a short work, barely 200 pages.
