

How to Overcome Writers Block: A Complete Guide

From the author of the #1 Amazon Best Seller *How to Write Anything* (W. W. Norton, 2014). Have you ever experienced writers block? Have you ever procrastinated about a writing task, or felt that your writing just wasn't good enough? Most of us have. Whether you're a business person, a student, or a creative writer, the chances are good that you've felt stuck when you sat down to write at some time. This book offers you everything you need to overcome your procrastination and become a productive and confident writer. Laura Brown, PhD, author of the #1 Amazon best seller *How to Write Anything: A Complete Guide*, shares with you a series of 17 simple exercises that she's been using with her students and clients for nearly 30 years to help them overcome their discomfort and reluctance, and start writing. People experience writers block for a number of different reasons--anxiety about their readers response, fear of failure, insecurity about their writing skills, and just plain bad habits. *How to Overcome Writers Block* addresses all of these, and the unhappy feelings associated with them, and gives you techniques that help you break out of your unproductive patterns, beat self-destructive thinking, and start writing. *How to Overcome Writers Block* is suitable for students, business writers, and creative writers--anyone who needs to write but is having trouble getting started.

Some writers argue that writers block isn't real. It's just Trollope's timed writing strategy was so amazingly effective because he committed to it. If you're struggling with writers block, don't get discouraged. Drink half the water and then set the half-full glass on your nightstand.
