

## Accidental Chemistry (Second Chances)

A Second Chances Story Zane Roscoes evil day job at a musical instrument store is supposed to teach him responsibility. What he really wants is the fun, excitement, and artistic challenge of being a musician. Joshua Norton is in college, training to become a pharmaceutical chemist, and he is Zanes complete opposite: introverted, intellectual, and quiet. When the two meet at a gay night club, their relationship begins with a case of mistaken identity and a wounded ego. They try talking but stumble over one miscommunication after another. So Zane decides they better stick to sex except a series of bumbling disasters, accidents big and small, and minor mishaps leads to frustration. Afterward, Zane wants to apologize for his behavior. But Joshua ran, and finding him turns into a test of character, as does earning Joshuas forgiveness. Can they find the new beginning they need for a second chance at love?

for creating sexual chemistry, and graceful writing style give her debut romance a I was up very late finishing this wonderful tale of love and second chances. Accidental Chemistry by Susan Laine.
