

Drugs are substances that lead men to carelessness about their own bodies. These become sick and degenerate. Judgement is impaired and men make mistakes in their work, their driving, their relationships with others. Their families and dependents too are affected by the errors of judgement which result from their carelessness. The Buddha pinpoints that it is the carelessness resulting from taking drugs that causes errors in our thinking and behaviour. This carelessness is avoided if the cause, the drugs themselves, are given up

Messenger, Naughty - Gay Romance - Boxed Set (2 Naughty Gay Romance M/M Short Novels) #5: Gay Romance MM (Boxed Set - Jamie Lake Naughty Bundles), What the Gospels Meant, Lent is for Loving: A Lent Course About Love, Essential Islam: A Comprehensive Guide to Belief and Practice, Percece a nue 7: Resurrection (Percece a nue Series) (French Edition),

Aside from Buddhism frowning up smoking cannabis what do you think I could turn to . psychedelics are not drugs in the traditional sense. How would he combine Buddhism and dating? How would he handle stress in the workplace? What Would Sid Do? is devoted to taking an In Buddhism the Right View (samyag-d??i / samma-di??hi) can also be translated as right perspective, right outlook or right Seeing the recent thread about the use of drugs, I was surprised at how many people in the comments advocating the use of drugs and how it A reddit for all kinds of Buddhist teachings! New to Buddhism? The Sidebar has so much to offer you! :) Read Our Posting Guidelines!
