

Do fairy lights and family make the perfect Christmas? Daniel is dreadful at tinsel, fairy lights and families. Put in charge of his brother's kids, Daniel panics. Surely, he can't ask Stella for help? It used to be her favourite season, until Daniel began – and ended – their engagement on Christmas Eve. Still, Stella can't refuse a desperate plea. The children deserve the best Christmas ever! Meanwhile, shivering on the snowy doorstep of High Fell Barn, Hayley's regretting her impulsive response to a job avert. It's too late, the door is opening to reveal a rather cross – but impossibly sexy – man... Patrick hadn't advertised for a housekeeper – Alfie, his ten-year-old son, has taken matters into his own hand. Still, Hayley might be the perfect gift. Alfie and his little sister are no angels. But they know a lot about the magic of Christmas – and they're about to teach the grown-ups a much-needed lesson!
