

Basic Discipleship

The Basics: Living under Christ's lordship
Remaining faithful
Finding God's will
Turning away from sin
Nurturing humility
Evangelizing with our whole lives
The basics begin at the beginning. And that's where Floyd McClung starts. What does it mean for Christ to be Lord of my whole life? Why is that important? How does it happen? On this foundation he lays the other basic building blocks that can last our whole lives--thwarting the power of sin, making wise decisions and more. It won't be easy. There will be struggle. There will be sacrifice. But it will be worth it.
