

Christie Ridgway invites you to a special place of sun, sand and romance in her new series, Beach House No. 9. Enjoy this prequel novella and meet the people of Crescent Cove... Two miles of magic. That's how Meg Alexander remembers her childhood home of Crescent Cove on the California coast. But Meg doesn't believe in magic anymore—not since heartbreak made her leave at nineteen and kept her away for ten years. Yet Meg can't say no when her sister asks her to temporarily step in as the cove's property manager—and she can't deny her instant attraction to handsome guest Caleb McCall. He sparks a desire that Meg hasn't felt in a long time. But even as their incredible, incendiary kisses tempt her into a short-term fling, her head tells her to pull away. Can Caleb convince her to give love a second chance? Return to Crescent Cove in Beach House No. 9 (February 2013), Bungalow Nights (March 2013) and The Love Shack (April 2013) from Christie Ridgway and Harlequin HQN.
