A New York Times Bestselling Author County Mayo is rich in the traditions of Ireland, which Branna ODwyer fully embraces in her life and work as the proprietor of The Dark Witch shop. Brannas strength and selflessness hold together a close circle of friends and family, along with their horses and hawks and her beloved hound. But theres a missing link in the chain of her life: love. She had it once with Finbar Burke, but a shared future is forbidden by history and blood. Which is why Fin has spent his life traveling the world, focusing on work rather than passion. And though Branna and Fin succumb to the heat between them, a storm of shadows threatens everything. Fins power, loyalty and heart will make all the difference in an age-old battle between the bonds that hold their friends together and the evil that haunts their families.
