

Prince of Twilight (Wings in the Night Book 9)

Book 9 in Maggie Shayne's Bestselling Wings in the Night Series **SOME LOVES LAST NOT JUST A LIFETIME BUT CENTURIES.** Vlad Dracul is older even than his legend, but in all his many lifetimes he has loved only one woman, Elisabeta, the wife he lost far too soon. Ever since her death he has wandered the earth in a fruitless search for her reincarnation. Until now. Because now he has found her soul at last, hidden in the mortal woman known as Tempest Stormy Jones. Stormy has always sensed the other deep inside her, striving for escape, for dominance, but in the presence of the charismatic Vlad she finds herself not only battling her attraction to a man she knows is dangerous and full of dark desires but losing control of her own body as Elisabeta's spirit fights to emerge. Now Vlad himself is torn between an ages-old love and the power of his feelings for Stormy herself. Only he can decide which woman will live and which will die forever.
