

Sheikh Surgeon, Surprise Bride (Mills & Boon Medical)

Ambitious orthopedic surgeon Lily Langley is delighted to be working with the prestigious Razak Khan. However, Lily is not prepared for the rush of sensual heat that sparks between them every time their fingers brush or their eyes meet. Razak is attracted to Lily, but he has duties and responsibilities that will take him back to his desert kingdom and away from his English beauty. Duties and responsibilities he has never really wanted and would gladly relinquish in favor of his passion for saving lives and for the woman he loves.
