[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters] Watching his barn burn to the ground, the one place that brought him solace, Tater walks away. But in doing so, he is thrown into a course of events that will alter his life forever. Olsen Lakeland has finally found his mate. Instead of celebrating, the bear is fighting to hang on to the man that he loves and stop Tater from going insane. As the two traverse through the depths of unknown territories, the prince of vampires is on the verge of madness when he ingests blood tainted with the drug Liquid Wrath. To make matters worse, a bounty has been called on all four leaders heads. Chaos reigns when Brac Village becomes the target for multitudes of rogues bent on destroying Maverick and his pack. In the fight to protect and the coming together of old and new, a hybrid is born. Note: Each book in Lynn Hagens Brac Pack collection focuses on a different romantic couple. To enjoy the overall story arc and crossover characters, we recommend reading the series in sequential order. ** A Siren Erotic Romance
