

His Bride by Design

Wedding-dress designer Chloe Allen had it all her first celebrity client, a debut New York fashion show, even a happy engagement her third, but who was counting? Then a catwalk catfight revealed her fiances cheating ways, and the media had a field day. To be painted as unlucky in love was a curse in her profession. As brides-to-be rioted to return their Chloe originals, Fiance No. 2 rode to her rescue. Financier James Elliott IV couldnt let her or his secret investment in her business suffer. They would play up a reunion romance for the cameras and get Chloe back on track. He had it all sewn up but would their tabloid tableau vivant turn into the real deal?
