

A person you've never met before seems strangely familiar... You seem to have intense memories - of a place you've never been... You have an experience you know is new - but it feels as if it's happened before... For many people, reincarnation is a reality. In this stunning and unusual book, Dr. Frederick Lenz brings together men and women from all walks of life who vividly and with great conviction describe experiences and relationships from previous... LIFETIMES.
