

Captured by the Sheikh (Rivals to the Crown of Kadar Book 1)

I took your bride. Ill take your throne. Because both are mine by right. Banishment and shame has turned Sheikh Khalil al Bakir into a man determined to reclaim the crown of Kadar from his rival. Khalil's campaign begins by kidnapping his enemy's bride-to-be. She's a means to an end, so why is he so inflamed at the thought of her in anyone's bed but his own? Queen Elena Karras of Thallia was prepared for a cold, mutually convenient marriage. Instead she is carried off into the sands, where the virgin queen soon discovers an unexpected desire for her sinfully sexy captor that leaves her craving more.
