

Eden didn't know her twin stepbrothers, Elliot and Zane very well. Growing up together since she was ten, the older boys relentlessly teased her, finally leaving home to join the Army when she was seventeen. When Eden was nineteen, the twins returned home completely different from the boys they'd been when they left home. They ignored Eden after returning, most of the time not noticing when she was in the room. On a drunken night out, Eden forgot her key to get back into the house and decided to knock on Elliot's window to get back inside. She expected him to be angry because she woke him...she knew he'd laugh because she was caught sneaking out. But what she didn't know was how her stepbrother felt about her. An innocent mistake leads to a night of discovery about herself and her stepbrother. Will Eden be able to resist her stepbrother? Will Elliot be able to show Eden all the things she'd been missing by not having him in her life? Dearest Stepbrother: Twin Soldiers 3 is the third book in a four part series.
