A historical novel brimming with adventure, romance and passion, featuring the son of a character that readers will remember from *These Old Shades*. The excesses of the young Marquis of Vidal are even wilder than his fathers before him. Not for nothing is the reckless duellist and gamester called the Devils Cub. But when he is forced to leave the country, Mary Challoner discovers his fiendish plan to abduct her sister. And only by daring to impersonate her can Mary save her sibling from certain ruin.
