

## Hard Knocks: An Ultimate Novella

In the stunning prequel novella to her new mixed martial arts series, New York Times bestselling author Lori Foster brings together an elite fighter and the woman he's determined to win. Power. Brute strength. Unforgettable moves. It's no wonder Harper Gates hasn't been able to get her fling with Gage Savage Ringer out of her head. Months have passed since she laid eyes on any other body part on him. Months without a word of contact until, sidelined by injury, he comes back to town. Staying focused on his training seemed like a smart move to Gage, even if he thought about Harper every day. Seeing her again only makes it clear how much is at stake. He's got one night to earn back her trust. One night to show her that behind his breathtaking skill and ripped body is a man who'll give her everything she needs. Don't miss *No Limits*, the first novel in Lori Foster's Ultimate series.
