

## First Responders, Volume 2

The only thing hotter than a man with a badge...is the heart that beats beneath it. Into the Fire One look at his ex-fiances frightened face when he rescues her from a burning animal shelter, and Chriss gut tells him its not over. As Ally grieves the loss of her livelihood, Chris is there for her in ways shes sure she doesnt deserve. Then theres the not-so-small matter of the blazing passion between them that refuses to be extinguished. But when Chris is injured while on a call, Allys reminded of all the reasons she walked away. Beneath the Badge A temporary assignment in a small town is the break Matt needs to put a haunting case behind him. Especially since the sexy local vet makes him forget everything but the way her body feels in his arms. Lindsay cant help but notice that Matt is hot, charming and-best of all-temporary. When a call to shut down a horrific puppy mill exposes his dark memories, her heart wants desperately to reach out to him. Even as her instincts remind her that relationships are just a train wreck waiting to happen. Warning: Side effects include elevated body temperature and heart palpitations. Read with caution, and keep your first responders on speed dial.
