

The woman he shouldn't crave Desert prince Zahid once walked away from Trinity Foster and the fire blazing in her eyes. As heir to the kingdom of Ishla, he was required by duty to return home, but even the heat of the desert was unable to burn away memories of their scorching kiss.... A chance encounter results in one earth-shattering night that brings more than just passion. As painful truths of the past are revealed, Zahid realizes that Trinity needs his protection. His only option is to bring her back to Ishla, and though she's strictly forbidden, walking away from her again is impossible!
