

Faith inspired author and speaker, Dana Arcuri, offers a 50-Day Devotional in conjunction with her memoir, Harvest of Hope: Living Victoriously Through Adversity. Her devotional and memoir can be read separately or together. She wrote 50 devotions to empower women to deepen their faith as they embrace supernatural peace, which only our Heavenly Maker provides. Dana transparently shares her own real life stories with powerful and inspirational messages to encourage others that no matter what they are going through to always cling to hope. Whether you are facing daily stress or fiery trials, each devotional will spur you onward to rise above adversity and live victoriously. Some devotions are long, while others are short. Each will end with a prayer or action step to draw you closer to God as you move forward in faith to apply what you learn. The daily devotions provide: * An inspiring message * Scriptures pertaining to each topic * Take 15 minutes or less to complete * Ends with encouragement to pray or put thought into action
