

The second book in the Marked Men series from Jay Crownover - a sizzling story of love, lust and longing. With his tight leather jeans and a sharp edge that makes him dangerous, Jet Keller is every girl's rock and roll fantasy. But Ayden Cross is done walking on the wild side with bad boys. She doesn't want to give in to the heat she sees in Jet's dark, haunted eyes, but even his touch sets her on fire. Jet can't resist the Southern Belle with mile-long legs in cowboy boots who defies his every expectation. Yet the closer he feels to Ayden, the less he seems to know her. While he's tempted to get under her skin and undo her in every way, he knows first hand what happens to two people with very different ideas about relationships. Will the blaze burn into an enduring love... or will it consume their dreams and turn them to ashes?
