True Lovers: Rianne and Gabriel have not seen each other in many years. While Rianne always held Gabe as the perfect man, he spent the years overseas serving in the military and trying to forget her. Though they maintained contact through phone calls and letters, it is not until now, that he might have returned for good, that they dare act on their feelings. Gabriel spends his leave reacquainting himself with Rianne who is convinced that nothing serious could come from their newfound desire despite having the most passionate and intense sex in her life. Rianne is in for a surprise when Gabriels plan to become a permanent fixture in her life is revealed. Love Affair: Emily OHara has always been overshadowed by her glamorous and demanding step-sister Kristen, and that is never more true than on Kirstens wedding day. When Emily meets the kind and ruggedly sexy groom, Walter, she can only dream that he might be interested in her. But when Kristen cruelly fails to walk down the aisle of her own wedding, Walters heart is broken, and Emily finally sees the chance to make him understand Kristens true character. Walter takes Emily for one night of sensual passion, and she thinks all her dreams have come true. But is Walters love for Emily going to give her all the passion shes ever dreamed of? Once her fiery passions have been rekindled, she faces decisions not only about her career path, but also the path of her heart. Will Alexis finally find the true path of her life, or will she choose to run away and forget the deep passions brewing inside her, the ones that only Travis can bring to life?
