

## Vixen in Velvet

She embarked on a life of deception and unexpected passion ...Aristocratic breeding and virtue could not save beautiful and adventurous Tori Rawlings from a repugnant marriage. To escape her betrothed, she exchanged identities with a tavern wench... and found herself in league with a band of brigands and at the mercy of Scarblade, the most notorious highwayman in England...Vixen In Velvet is vintage Fern Michaels -- an unforgettable novel of a young woman's surrender to excitement darker than she ever imagined ... and a love more passionate than she ever known.
