

“Trust the man who wears a flaming crown and possesses the golden touch. Beware the blacksmith.” Cast out of Wales after her mother’s death, Keely Glendower travels to England to find her natural father, the Duke of Ludlow. She wears her magical dragon pendant and carries within her heart her mother’s prophetic words. Though there is no love lost between the Welsh and the English, Keely cannot resist the heated gaze of Richard Devereux, England’s wealthiest earl, the English queen’s “Midas”. Despite, her eccentric ways, Richard is drawn to Keely. Just gazing at the raven-haired, violet-eyed beauty kindles a passion he’s never known. Richard is a very determined man, but when a long buried secret is revealed, can the earl use his power to protect them or will his enemies destroy them both?
