Bill Williams claims he was born with a spine in the shape of a question mark. The question why? has haunted him ever since his two siblings died of cystic fibrosis while he wrestled with the disease. *Naked Before God: The Return of a Broken Disciple* chronicles Williams' quest to find the answer. His poetic prose, the sharpness of his wit, and the profound nature of his struggle will leave you alternating between tears of sorrow, periods of laughter, and moments of breathtaking insight.
