

## On The Rocks (Mixology Book 2)

Love is best served on the rocks. My roommates look really good naked. At least one of them does. Im sure the other one does too, but I havent seen him without his pants on. Living with two guys wasnt something Id ever considered, but the opportunity fell in my lap, and Id have been crazy to turn it down. College went by in a great big blur leaving me with less of a direction than I had going in. Add in a family that wanted nothing to do with me, and my post-college plans were less than clear. Whats a girl to do when she has nowhere else to turn? She moves to the Outer Banks and learns to bartend. After all, it was my horrible bartending skills that led me to my roommates bed and into his heart. \*New Adult Romance\*
