

College Planning for Gifted Students: Choosing And Getting into the Right College

College Planning for Gifted Students: Choosing and Getting Into the Right College is a must-have for any gifted or advanced learner planning to attend college. Sandra Berger, a nationally recognized expert on college and career planning for gifted students, provides a hands-on, practical guide to college planning in this revised volume of this bestseller. Berger leads students through the college-planning process, moving from self-exploration, to college matching, to the application process. She focuses specifically on helping gifted students discover who they are, and how that discovery corresponds to finding the perfect postsecondary endeavor. The author also provides useful, practical advice for writing college application essays, requesting recommendation letters, visiting colleges, and acing the college entrance interview. Throughout the book, helpful timelines and checklists are provided to give students and their parents, teachers, and counselors assistance in planning for and choosing the right college. An extensive resource section is also included, with information about the SATs and ACTs, early entrance programs, and a sample college application.
