

A new romance novel by New York Times bestselling author H.M. Ward about sex, soul mates, and deadly secrets. When Celebrity Magazine declares rock star Trystan Scott the sexiest man alive, I'm not surprised. How can anyone claim otherwise about those blazing blue eyes, rock-hard abs, dark hair, and a totally lickable dimple? Before the billionaire playboy rose to stardom, we were friends for a while and lovers for a night. Though that was nearly a decade ago, our connection burns brightly in my memory. We weren't a one-night stand, not to me. I can admit it--I got played. To him, I was just another conquest. My beautiful best friend is long gone, and I've moved on. But when fate forces us to meet face to face, everything I felt for him comes rushing back. Trystan is crashing and burning fast. The press flock like vultures, waiting for him to kill himself or worse. Either way, his mistakes earn them millions. One night, one time, one word is all it takes to wash away a decade of reason and regret. One secret threatens to push him six feet under, and, when those beautiful eyes turn to me for help, how can I say no? Genre: Contemporary, Raw Romance Type: Novel, 437 pgs Stand alone, no cliffhanger, with epilogue
