

## Holiday Kisses (Mills & Boon Kimani) (Kimani Romance)

Kisha Moran knows next to nothing about Craig Jackson which seems to be just the way he likes it. The TV-news anchor arrived at Kisha's dental practice for emergency treatment and ever since, she's been unable to get him out of her mind. Her body's reaction to him is undeniable, and their first incredible night together tells her it's mutual. But getting this sexy, enigmatic man to open up would take a Christmas miracle and Kisha isn't waiting for one of those. Craig has no time for the string of women who'll do anything to get close to a celebrity. Maybe Kisha's different, maybe not. But suddenly, brushing her off isn't a problem because feisty Kisha has gone ice-cold on him. And with the holidays approaching, Craig realizes that the only gift he wants is another chance to show her the man behind the mystery.
