

## SILK Volume Three

The third book in the sexy SILK series by New York Times and USA Today bestseller K.M. Scott! For Ian Anwell, addiction is a way of life. He can't remember a time when he wasn't addicted to something—heroin, alcohol, whatever made him feel good. But his newest addiction is better than all the others combined. Kristina makes him feel like the man he's always wanted to be. But addicts have a habit of wrecking things, even those they hold dear. For Kristina Richards, Ian is everything. Love. Lust. Obsession. But even as she falls deeper in love with him and the madness they create together, she finds something she never expected to find in her time with him. She finds strength she never knew she had.
