

Still the One (An Animal Magnetism Novel Book 6)

Love is a dare in the sexy new romance by the award-winning New York Times bestselling author of the Animal Magnetism novels and the Lucky Harbor series... Darcy Stone is game for anything except sexy Navy vet and physical therapist AJ Colten, the guy who'd rejected her when she needed him most. Now the shoe is on the other foot and he needs her to play nice and help him secure grants for his patients. Unfortunately Darcy can't refuse. She needs the money to fund her passion project: rescuing S&R dogs and placing them with emotionally wounded soldiers. AJ admits it Darcy is irresistible. But he's already been battle-scarred by a strong-willed, vivacious, adventurous woman like Darcy, and he's not making the same mistake twice until he and Darcy are forced to fake a relationship. Growing closer than they'd ever imagined possible, Darcy and AJ have to ask themselves: how much between them is pretend? What's the real thing? And where does it go from here?
