

Guideposts for the Spirit: Stories of Faith for Christmas

Collected in this volume are over sixty heart-warming stories of faith. These are stories about the true gifts of Christmas - answered prayers, real-life angels, and inexplicable miracles. They are the stories of people who gained a greater understanding of the true meaning of Christmas, some through a word or gesture from their fellow man, others through a miraculous event that could only have come from God. Many of the writings are drawn from the archives of Guideposts magazine, long known for its moving, first-person stories. Also included are writings from Billy Graham, Richard Crenna, Pearl S. Buck, Norman Vincent Peale, and others. A small book packed from cover to cover with the spirit of Christmas and all its joy!
