

Love one Another (Mills & Boon Love Inspired)

NEIGHBORLY LOVE Single dad Zac Frazier arrived in the close-knit town of Serenity expecting little more than a fresh start. But he never counted on having his wounded heart rejuvenated by his sons bubbly preschool teacher, who lived a few houses away and had an extraordinary gift for understanding small children. In record time, pretty and petite Tina Braddock brought laughter back into his lonely little boys life and encouraged the disillusioned widower to rejoice again in Gods love. Why, if romance-resistant Zac didnt know better, hed allow himself to fall head over heels for his green-eyed neighbor! But beneath the sunny surface that Tina presented to the world, he sensed uneasiness, foreboding, even fear. What was she afraid of? And would loving one another be enough to make all their dreams come true?
