

With 150,000 copies in print, the original TEACHING GIFTED KIDS is a perennial best-seller. Teachers everywhere call it, the orange Bible and turn to it daily to make sure their gifted students are getting the learning opportunities they need and deserve. Since the first edition was published, author Susan Winebrenner has spent eight years using it with school districts, teachers, parents, and kids across the U.S. and the U.K. This revised, expanded, updated edition reflects her personal experiences and the changes that have taken place in education over the years. Her basic philosophy hasn't changed, and all of the proven, practical, classroom-tested strategies teachers love are still here. But there's now an entire chapter on identifying gifted students. The step-by-step how-tos for using the strategies are more detailed and user-friendly. There's a new chapter especially for parents. And all of the forms in the book are also on CD-ROM (sold separately) so you can print them out and customize them for your classroom. Since 1992, TEACHING GIFTED KIDS has been the definitive guide to meeting the learning needs of gifted students in the mixed-abilities classroom—without losing control, causing resentment, or spending hours preparing extra materials. This new edition is even better.

The Unexpected Husband (Wedlocked!), Popol Vuh: The Sacred Book of the Ancient Quiche Maya, Broken Toy [Suncoast Society] (Siren Publishing Sensations), The Gifts of the Holy Spirit: A Living in the Light Bible Study on The Gifts of the Holy Spirit (Living in the Light Bible Studies Book 3), Adam and the Genome: Reading Scripture after Genetic Science, The Music Sounds Better With You PART 3 (BWWM Romance), Stung: Winter Special (Zombie Gentlemen), Torah Lishmah: Torah for Torahs Sake : In the Works of Rabbi Hayyim of Volozhin and His Contemporaries (Sources and Studies in Kabbalah, Hasidism,)

: Teaching Gifted Kids in the Regular Classroom: Strategies and Techniques Every Teacher Can Use to Meet the Academic Needs of the Gifted and Talented
