

The Awakened Heart: Finding Harmony in a Changing World (Inner Light Series)

From one of America's leading-edge thinkers, a contemporary book of timeless wisdom. It is a book of balanced principles that will speak with gentle passion not only to John Robbins existing fans, but to mainstream readership as well. An inquiry into issues and concerns of the heart, *The Awakened Heart* touches the core of what it means to bring our lives into harmony and to discover our own path amidst the contradictions that challenge us daily. A book of accessible and beautiful reflections, *The Awakened Heart* speaks of the many kinds of human hunger and need to feed our spirit. Speaking of the human quest for inner peace and the urge to live life at the highest level of meaning and purpose, it nurtures a sense of balance from which real solutions can flow. Specific life choices and issues are addressed including Acceptance and Love, Self-Work, Growth Rhythms and Cycles, The Courage to Love Again, Transforming Fear, Sex and Love, Confronting the World's Pain, and many more.
