

Fate gleefully turns Sara Eller's world upside-down... Her runaway sixteen-year old sister, a matchmaking lawyer, and even the damnable elements, conspire to trap Sara on a remote island in the Bering Sea. She'd arrived with the intention of saving her sister from becoming Ransom Shepard's mail-order bride, only to discover that a wedding was the furthest thing from his mind. When all she wants to do is get away from the alarmingly handsome, oddly reclusive Ransom Shepard, Fate has other cruel tricks to play. No matter how much she tells herself to steer clear of the mysterious Alaskan, she can't resist savoring steamy fantasies of moonlit nights in Ransom's arms. Will her good sense win out over long-dormant passions, or will desire for this magnetic man make her his weak-willed, summertime conquest? Only time and fickle Fate will tell!
