

Captivated His interest in her was purely professional...or so he told himself. Nash Kirkland had sought out the alluring Morgana Donovan to help him research his latest screenplay, though the hardheaded skeptic didn't believe for a minute she was what she professed to be. But, as Morgana revealed herself to him, Nash found himself falling under her bewitching spell. Nash had never trusted his feelings and always kept them in check. So how could he be sure the irresistible passion he felt for Morgana was real and not just some conjurer's trick? Entranced Obviously psychic Sebastian Donovan was a fraud, but fiercely protective Mary Ellen Sutherland was desperate to find a missing baby and had run out of leads. So, reluctantly, the skeptical private investigator agreed to enlist Sebastian's help. Soon she had to admit, grudgingly, that this man had some pretty remarkable gifts. Especially his extraordinary ability to penetrate her tough facade and awaken her heart. Charmed Her legacy had been as much a curse as a blessing, so Anastasia Donovan had learned to keep it hidden. But when single dad Boone Sawyer swept into her heart, she longed to reveal everything despite her fear of the consequences. Then fate stepped in... Enchanted Lovely, guileless Rowan Murray was drawn to darkly enigmatic Liam Donovan with a force she'd never imagined could exist. But before Liam could give Rowan his love, he first had to trust her with the incredible truth about himself...and his family.
