

The Golden Valkyrie (Sedikhan Book 2)

From #1 New York Times bestselling author Iris Johansen comes a classic tale of opposites attracting and finding love in the most unexpected places. When P.I. Honey Winston is hired to steal incriminating letters from visiting dignitary Prince Rubinoff, she's prepared for a dangerous mission that could end her career. But when she blows her cover, she finds that the amused prince is everything the media have made him out to be: part Adonis, part playboy and irresistibly charismatic. The problem is, the feeling is mutual. Intrigued, the prince is determined to keep his gorgeous young trespasser by his side as long as possible. For he's never met anyone quite as daring, or breathtaking, as Honey. With the tables turned, Prince Rubinoff has Honey appointed his personal bodyguard. The official reason is an assassination plot. The truth is far more dangerous. From the Paperback edition.
