They are what you can use to build your spiritual life and your physical life, your mental life and your emotional life. In short your whole life. At home. At work. At church. In public. In private. Any time. In fact, that is exactly why the Holy Spirit gave them to you to help you all the time. Now, for a moment imagine you are going to build a house. What would you start by doing? Getting your bricks put up? Putting the floor in? Sheetrocking? Painting? Of course that's ridiculous. If you were going to build a house, you would start with drawing up a set of plans, right? Why would you start with that? Because with a fully-drawn set of plans, you could see what and how much of each building material you would need. You could budget and know that the house will fit on the lot. You would know how much money you would need to complete the project. The whole thing starts with a good plan. The great news is you have been given not only a set of plans from the Master Builder, but He has carefully crafted these plans and given you

the steps and the materials you will need to build the life you've always dreamed of living. This life will be imminently usable and a perfect fit just for you.
