

The Trouble with Love: A Sex, Love & Stiletto Novel (Sex, Love, & Stiletto Series Book 4)

As Lauren Laynes salacious Sex, Love & Stiletto series returns, a jaded columnist discovers a steamy way to get over an old flame: falling for him all over again. As Stiletto magazines authority on all things breakup-and-heartache, Emma Sinclair writes from personal experience. Five years ago, Emma was Charlotte, North Carolinas darling debutante and a blushing bride-to-be. Now shes the ice queen of the Manhattan dating scene. Emma left her sultry Southern drawl behind, but not even her closest friends know that with it she left her heart. Now Emmas latest article forces her to face her demonsnamely, the devilishly sexy guy who ditched her at the altar. After giving up everything for a pro-soccer career, Alex Cassidy watches his dreams crumble as a knee injury sidelines him for good. Now hes hanging up his cleats and giving journalism a shot. Its just a coincidence that he happens to pick a job in the same field, and the same city, as his former fiancée ... right? But when Emma moves in next door, its no accident. Its research. And Alex cant help wondering what might have been. Unlike the innocent girl he remembers, this Emma is chic, sophisticated, and assertiveand she wants absolutely nothing to do with him. The trouble is, Alex has never wanted her more.Praise for The Trouble with Love The Trouble with Love is a heartwarming read I devoured in one sitting and havent been able to stop smiling over since.New York Times bestselling author Violet DukeSharp, sexy contemporary romance at its best, The Trouble with Love satisfies in the best kind of way.Elisabeth Barrett, author of the Star Harbor series[Lauren] Layne produces winner after winner and The Trouble with Love is no different.Fiction Vixen One of Laynes best works ... I love and adored this book. It takes a rare breed of author to make me go out and purchase all of their backlist without even reading blurbs or reviews. Ramblings from This Chick (five stars) These books are reminiscent of Nora Roberts and her trilogies, with the complex situations, three-dimensional characters, grand sense of humor and hot sex scenes. Urban Girl Reader It was very difficult not to instantly like this book, because it had all the things I loved all rolled up into one: sass, humor, underlying sexual tension, as well as suits and office romance. Fifty Shades of Books Sultry, funny and heartwarming ... This book is the fourth in the Sex, Love & Stiletto series, but can be read as a standalone and is perfect for anyone who loves second-chance romance.
