

Mail Order Bride: Mending Fences: A Clean and Wholesome Western Romance (A Kansas Mail Order Bride Story Book 6)

Leanna is the youngest daughter in a large family. The last one left at home. Her father expects her to work in the family bakery and she hates the work. Its boring and repetitive. Her father is boring and repetitive, too. He wont listen to her ideas to change things up a bit. She needs a husband to get her out of her situation, but she also wants to fall in love. This was a desperate dream that her savior would take her away from the near oppression in her current life and give her a new one full of perfect happiness. She thinks shes found the solution. She agrees to marry a man shes never met. He seems wonderful and shes beside herself with happiness. Until she gets to Kansas and meets Daniel. Hes a good guy, but hed kept important information from her. He had a son and hed been married before. Shes angry, but has no options but to stay and make the best of it or go home. Going back to New York was the worst option, so she kept her anger to herself. She was at the end of her rope when something terrible happened. She realized how much she loved Daniel and his little boy. Was it too late to save her marriage and her family? Sometimes it takes a tragedy to bring a hard-headed woman to her senses. _____ Annie Boone writes sweet and clean western love stories.
