

Enemies make the best lovers...Scott Elstrom craves freedom, adventure and exploration...so leaving the wilds of Alaska behind to save the family company isn't top on his list of priorities! And getting the traditional CEO portrait painted by one feisty, quirky, sexy fireball...? Not in a million years! Toni Baldoni needs this commission – just because the new boss won't play along, it doesn't mean she'll back down! But suddenly Toni's not sure if it's determination that's got her pulse racing – or something altogether less appropriate! Trouble is, this battle of wills is not so much hard work...it's a lot more like fun!
