

Worlds Great Men of Color, Volume I

The classic, definitive title on the great Black figures in world history, beginning in antiquity and reaching into the modern age. *Worlds Great Men of Color* is the comprehensive guide to the most noteworthy Black personalities in world history and their significance. J.A. Rogers spent the majority of his lifetime pioneering the field of Black studies with his exhaustive research on the major names in Black history whose contributions or even very existence have been glossed over. Well-written and informative, *Worlds Great Men of Color* is an enlightening and important historical work.
