

A NEW YORK TIMES BESTSELLER about Christmases past and present from the #1 bestselling author of *Running with Scissors*, *Dry*, and *A Wolf at the Table*. At eight years old, Augusten Burroughs profoundly misunderstood the meaning of Christmas. Now proving himself once more a master of making tragedy funny (*The Miami Herald*), he shows how the holidays can bring out the worst in us and sometimes, just sometimes, the very best. From the author described in *USA Today* as one of the most compelling and screamingly funny voices of the new century comes a book about surviving the holiday we love to hate, and hate to love.
