

Bookmarked (Heartsville)

To save his bookstore from closing, Mark Werner realizes its going to take a miraclelike getting reclusive, best-selling author Shepherd Knight to agree to appear for a signing. After their disastrous last encounter, Mark doesnt hold up much hope Shepherd will agree. Shepherds never made a single public appearance. In fact, Mark wouldnt even know what he looks like had he not accidentally discovered the sexy stranger hed been flirting with for months, aka Tall-Dark-and-Grumpy, was also his fanboy obsession. But desperate times call for desperate measures. If Mark can convince Shepherd, itll be a major coup in the book world and might just save Bookmarked from sinking. Too bad Shepherd wont reply to his e-mails. Yet Mark didnt earn the reputation of having a sunshine-and-rainbow-fart personality for nothing. Hell do whatever it takes to get his man and hopefully not make a fool of himself in the process.
